

MEMBERSHIP TERMS & CONDITIONS

Unlimited Wash Program provides one car wash per day in each month membership is renewed. Palarino's Car Wash reserves the right to cancel, amend or change the program from time to time as it feels necessary. Membership can be cancelled at anytime. No refunds or credits will be given for partial periods. No credits will be issued for unused months. It's the customers responsibility to call in or ask in person to have automatic billing stopped. No refunds will be issued after auto billing has charged you. Members may upgrade to a higher wash or add additional services and pay at the time of wash. Only the car listed on this form is eligible for the program and must have a Palarino's RFID tag affixed to the vehicle. Damaged tags should be reported to Palarino's immediately. Any attempt to remove the tag will destroy the tag and keep it from operating. The member will then be charged for a replacement. Member must notify Palarino's of any change of vehicle ownership. Customers must purchase a new RFID tag if they get a new car, have a windshield replacement, or damage/remove their tag. By enrolling in the Palarino's Car Wash Unlimited Wash Program I agree to have my credit card automatically billed on the first of each month/anniversary date for the amount due for the plan I have chosen. I waive any and all rights to withhold or delay payment of the related credit card issuer. Unlimited washes can not be used in conjunction with any other discounts. (Car wash open weather permitting. Car wash may also be closed some days for maintenance & equipment upgrades).
